

Mrs. Dean and Miss Beyke's 5th Grade Web Page

April 9, 2012

Students should have received a registration form for the Haiti Walk. If you are interested in signing up, do so soon so your child can win a door prize!

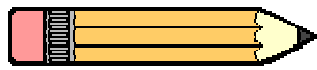

Wednesday, April 11th is a fundraiser night for the American Cancer Society at Buffalo Wild Wings. Bring in the flyer that was sent previously for 10% of your proceeds to go to cancer research.

Students who are participating in the Science Inquiry Conference should attend Thursday's work day to get Miss Beyke's approval. A schedule will be sent out soon so you know exactly when your child is presenting.

There will be a bullying presentation given by professionals from St. Vincent Hospital this Thursday. Fourth and Fifth grade students will be attending.

Reminder: Research shows that students should only be required to do 10 minutes of homework per grade level. Therefore, fifth graders should only be doing about 50 minutes of homework a night. If your child is consistently doing more than one hour of homework each night, please contact us so we can come up with a plan.

A good way for your child to study spelling throughout the week is to use www.spellingcity.com Miss Beyke puts the words on the website every week. Simply search for teacher "Andrea Beyke."

Class Work

Religion - We are studying chapter 17, United in Christ.

Reading - We finished our books! We are now working on our culminating projects. Next, we will read Esperanza Rising as whole class.

Spelling - The Greek/Latin root is cred, fid, which means to believe, trust.

Math - We will be learning the formulas for area and perimeter. Students will learn a fun movement activity to go with this!

The math book url is www.eduplace.com/epe/mw
