

## ¿Qué pasa?

This is what's going on in Saint Malachy Parish School Spanish classes the week of April 11.

### **Kindergarten – Food / Food Groups**

We will be working on April Spanish. We will be reviewing the food pyramid, and foods words we have been practicing in class before our field trip to the Mexican grocery on April 13. We will also be purchasing and tasting food from the Tienda Morelos.

### **Grade 1 – Animals / Habitats**

We will be placing our animals in the appropriate habitat to practice our Spanish words. .

### **Grade 2 – Weather**

We will be learning a chant to practice our weather words. This week will be drawing a weather picture on a white board when hearing the wether phrase in Spanish.

### **Grade 3 – España, Spain**

This week we will be completing our study of Spain. We will review, and a study sheet will come home on Tuesday. Next week, the students will take a quiz over some the facts they have learned about Spain.

### **Grade 4 – Sharing basic information**

This will be a big week in Spanish class. The students will present their Spanish paragraphs in class on Thursday. The paragraph must be memorized. They will also earn a listening grade. They will be answering questions based on what is presented during the presentations.

### **Grade 5 – Culture / Grammar**

This week we will finish discussing a “quinceañera.” This is a Latino celebration when a girl turns 15. We will then explore formal / informal greetings and questions in Spanish.

Information regarding grades 6-8 is on the middle school blog sites.
